

LFI

My family loves
me. God loves
all of us.

Collective Worship

Families

Today we planned
our first liturgy in
Year 1. We gathered
together and lit a
candle. We thought
about God being
with us.

We listened to a reading from the Bible telling us that God loves us all and that we can always talk to him. We said a special prayer to God in our hearts and promised to show love and care to others by saying 'thank you' to someone in our family.
