

Monday 19th November L.o. To learn about the importance of joy in our lives

Father Dave came into school to work with the whole of Year Four. We learnt that it is our Youth Mass on Sunday and we are celebrating the JOY in our lives. We learnt that you can get JOY from Jesus, Other people and Yourself. We created some artwork using pictures and cut-outs of our hands to display in church. We sang 'Servant King,' and watched a moving video about Jesus' life, celebrated through the meals he shared with others. We learnt about the Last Supper and how the disciples recognised the risen Jesus in the breaking of bread.
