Dear Parents/Carers

I am writing to you with some news about our Head Teacher, Nick Conway.

Earlier this week he was successful in an application for the seconded post of Trust School Improvement Lead for the Primary phase within Bishop Chadwick Catholic Education Trust. The role starts from June 2021. Nick will continue to work at St Aloysius to ensure smooth transition.

Governors will work alongside colleagues within our Trust and Diocese to appoint an internal candidate for the post of Acting Head Teacher from June 2021 - August 2022. The recruitment process will follow Diocesan recruitment guidelines.

Nick has played an exceptional role within the local community and St Aloysius since his appointment to our school in 2013. We are excited for his future and I know St Aloysius will continue to thrive and excel next year and beyond because we have excellent staff.

Nick will write to you with further news in time.

Yours sincerely

Wendy Woods
Chair of Governors
