Safeguarding

Safeguarding our pupils is our number one priority. We are a listening school and staff are trained in Safeguarding procedures. Our Headteacher and our Deputy Headteacher are our Designated Safeguarding Officers and all school staff have undertaken training in safeguarding and child protection.

As a school we work closely with South Tyneside and Clennell Education Solutions Safeguarding teams. We follow the guidance of 'Keeping Children Safe in Education'. We regularly update our safeguarding procedures ensuring our school is a safe and secure environment for all. All staff are DBS checked before they can work in school.

SEND

St. Aloysius is committed to maintain and develop the education of all pupils. Through observations children with a special educational need are identified at an early stage and strategies are developed between school, home and any other appropriate service to address any concerns and to ensure school can best meet the needs of your child.

Please do inform school of any specialists currently involved with your child or if, at any point, you have concerns about your child's progress at school then please do not hesitate to get in touch.

Children are expected to wear full school uniform as follows:

- Jumper, tank top or cardigan with school logo

Parent/Carer involvement

We acknowledge the importance of parents/carers as a child's first educator and aim to work together with parents.

Parent workshops

During the course of the year you will be invited to join us for a range of focused workshops. These are intended to support you at home when helping your child to learn and provide an opportunity for us to share some of the strategies we use in our teaching that your child will be familiar with.

Home-School diary

At the beginning of school your child will receive a home-school diary. This is an opportunity for you and your child to record anything they would like to share from home. This may be in the form of photographs, bus/cinema tickets, drawings etc. your child will share this weekly with staff and peers.

Reading together

Supporting your child's reading development is one of the most important things you can do for them over the coming year. Children who read and are read to often at home, make accelerated progress in reading. Reading contributes to all areas of learning across the curriculum.

PTFA

The PTFA is a friendly and relaxed group of parents who voluntarily fundraise to enhance the experience of all the children in our school. We meet every half term to share ideas, plan events and generate income. Find out more: st-alloysius.co.uk/our-school/our-ptfa/
