

ART in the COMMUNITY

What have we done previously?

Workshop with local artist, Claire Finley, working to produce a piece of community artwork based about remembering the challenges faced by our community during the pandemic.

Art exhibitions in school, where families can come and see the wonderful works of art produced at our art clubs.

Celebrating our pupils...

Valentine in Year 5 currently has a piece of his artwork in an exhibition at The Word, South Shields. Well done, Valentine!

Working with renowned artist, Svetlana Kondakova-Muir to create a large mosaic for Hebburn Town Centre that reflects the history of the area.

What are we up to now?

"It was a pleasure. Lots of talented children."

Our Art Ambassadors have invited members of our community into our art studio to work on a project all about Hebburn. Watch this space...

"It's always a pleasure to join in with the children's activities, thank you for inviting me."

We have registered for the Royal Academy's Summer Show so that our children and families can get involved.

St Aloysius School Community Art Project

DO YOU ENJOY ART? COULD YOU SPARE SOME TIME TO WORK WITH OUR CHILDREN ON AN EXCITING ART PROJECT TOGETHER?
