Autumn 2

Dear Parents and Carers,

Can you believe how fast this term has flown by! We are so proud of how well the children have settled into school life.

The children have been so excited with the colder weather, playing in the snow and getting ready for Christmas. It's been a fun and busy time in our Early Years with lots of learning and play taking place. I'm sure you will agree that the children were absolute stars in their Nativity's. They sang and danced beautifully and were so respectful.

In this newsletter we're excited to share some highlights from what we've been up to this term such as fun in the Secret Garden, celebrations and our Nativity performances. You'll also find key dates, reminders, and ideas to support your child's learning at home.

Thank you, as always, for your support and partnership.  
We hope that you all have a lovely Christmas with your families and can't wait to welcome the children back in January.

Wishing you a very Happy Christmas  
Mrs Cawthorn  
Early Years Lead

## Reminders

- Please name all your children's items clearly especially hats, gloves and scarves
- Reception are enjoying their reading books, please ~~We are reading with them and children tend to be more independent with putting their coats on and would love if they could practise at home too.~~

- 23rd March- Reception egg decorating
- 30th March- Holy Week Celebration of the Word  
9.15 Rec MB
- 31st March- Holy Week Celebration of the Word  
9.15 Rec LM/AC

### Reception highlight

We have been learning all about our local area. We have identified street names and the difference between human and physical features in Hebburn!

"You got to stop, look and listen to cross the road"  
Eden

"I liked singing frozen on the stage"  
Muna

### Road Safety

Nursery and Reception have taken part in 'Road Safety' workshops with Melissa. We learned the safety dance- Stop, Look, Listen and Think and how to cross the road safely. We loved dressing up.

### Early Years has got talent!

Some of our early year's children took to the stage to show off their talents. We had lots of singing, dancing and even some jokes. We loved watching and supporting our friends and thought they were all fantastic.

### Nursery highlight

Our nursery children have been learning to tell the stories 'We're going on a bear hunt' and 'Wow said the owl' with actions. Mrs James and Mrs Smissen have been so impressed with their hard work. I'm sure they will share these stories with you at home.

### WE NEED YOUR HELP

We are starting our topic "People who help us" next term. If you have a job that helps people, we'd love you to come in and talk to us about it. In the past we have had doctors, fire fighters and nurses but are on the lookout for more. Please leave your details with the office if you can help. Thank you so much!

*Nursery*

We are incredibly proud of our EYFS children for the wonderful effort, enthusiasm, and confidence they have shown in their nativity performances. From learning their lines and songs to stepping onto the stage with bright smiles and big hearts, they have truly embraced the spirit of the season. Their hard work, courage and teamwork have shone through in every moment. It has been a joy to watch them grow, create and celebrate together. They should be very proud of themselves—each child has been a star in their own special way.
