

Religious Education

Our children study:

- The Bible
- Teachings of the Catholic Church
- The Catechism
- Church history
- Sacraments
- Moral decision-making

This is structured and age-appropriate, building deeper understanding each year.

Prayer & Worship

Faith development includes regular opportunities to pray and celebrate:

- Daily classroom prayer
- School Mass
- Sacramental preparation (First Reconciliation, First Communion, Confirmation)
- Liturgical seasons like Advent and Lent

Our children learn different forms of prayer (traditional, spontaneous, reflective).

Moral & Character Formation

Our children are guided to:

- Make ethical decisions
- Reflect on their actions
- Develop conscience
- Understand right and wrong through Church teaching

Community & Belonging

Faith development means:

- Building a caring school community
- Encouraging leadership and mentorship (like Bible Buddies)
- Creating a safe environment rooted in Christian values

Living the Gospel

Our schools emphasise putting faith into action:

- Service projects
- Charity drives
- Social justice initiatives
- Practicing virtues like compassion, forgiveness, and respect

This reflects Catholic Social Teaching (care for the poor, dignity of all people, etc.).

Overall Goal

The goal is to help St. Aloysius' children:

- **Develop a personal relationship with God**
- **Understand Catholic beliefs**
- **Live out their faith in daily life**
- **Grow into compassionate, responsible adults**
