

# RE Ambassadors

'Therefore, we are ambassadors for Christ, God making his appeal through us. We implore you on behalf of Christ, be reconciled to God.'  
2 Corinthians 5:20

## Who Are They?

Our RE Ambassadors have an important role in our schools; using their initiative and own ideas to promote RE at school and in the wider community. Our Ambassadors ensure that they are role models in demonstrating our school vision statement:

'I have come that you may have life, and have it to the full.'

John 10:10

## What They Do?

Our RE ambassadors work with our RE lead and help to prepare acts of worship and masses, including selecting readings. They help to lead acts of worship such as phase Celebration of the word and promote bible stories and Jesus' teachings around school. They work closely with our prayer leaders and Mini Vinnies to contribute to newsletters for parents and carers.

## How They Make A Difference?

- By being excellent role models to their peers, living out the Gospel values and demonstrating passion and enthusiasm for Religious Education.
- They inform teachers of planning ideas to promote initiatives across the school and parish community.
- By promoting the importance of RE and how we use it in our everyday lives.
- Helping set and lead the development of the Religious celebration displays across our schools.
- Modelling how to look after resources respectfully.
- Supporting our Prayer Leaders and Mini Vinnies

Striving for Excellence, Inspired by Gospel Values
